Before Your Jump

We know that once your bungee jump is booked you will be very excited and rightly so! However below is some information and instructions that you will need to read after you have booked your bungee jump. Once you are satisfied that everything is complete then feel free to tell anyone who will listen about your upcoming bungee jump!

Confirmation Email: Check that your confirmation email states the correct location, time and date with correct contact number for you as we may need to contact you before or on the day of your jump

Voucher: Check that your voucher is valid for this event by using the Voucher Upgrades Table found on page 7. Please note that once you have made a booking using your voucher, no refunds will be given and voucher validity will be lost in the case of you cancelling your event.

Health Warning Notice: Read the Health Warning Notice which can be found at the bottom of this pack and make sure that you are fit enough to jump. Make sure that you obtain a doctor - you will need this if any of the health warning notice applies to you, or you are aged 50 & over.

Accommodation & Transport: When booking accommodation or transport please check the cancellation policy as UK Bungee cannot be held responsible for any accommodation, transport or other charges that you incur in the case of a cancelled event.

Terms & Conditions: Make sure that you read our Terms & Conditions found [here](#).

Plan your journey: We have included directions on page 6, but it is always a good idea to check the time that it will take you to arrive as if you are late we may not be able to accommodate your jump.

Changing Your Jump Date: You can change your experience date free of charge within 7 days of booking. However any changes made to your booking after the 7 days will incur a £10 rebooking fee & any changes made within 14 days of the event will incur a £25 rebooking fee. Where cancellation insurance has been purchased you may change the date of your booking once free of charge and you must notify us of this change before the start time on the day of your event.

Cancelled Events: Occasionally we sometimes have to cancel our events due to weather, mechanical failure, low participant numbers and unexpected events. In the week leading up to your event make sure that you check the News section of our website for details of any cancelled events. In the rare event that we do have to cancel your event we will endeavour to contact you as soon as possible and re-arrange your booking for the next convenient date free of charge. Please note that refunds will not be issued for cancelled events

Refunds: If you need to cancel please note that refunds will only be issued within 7 days of booking minus a £10 administration fee. No refunds will be issued after 7 days of booking.

The Day of Your Jump

After Your Jump

NOTES FOR BUNGEE JUMPERS

Persons involved in Bungee Jumping should have a reasonable standard of physical fitness . In addition to the medical conditions listed overleaf, the following may cause difficulty whilst Bungee Jumping and if you have ever suffered from any of these you are advised to seek medical opinion.

Rheumatic fever. Chronic bone or joint condition. Disorder of the blood, severe anaemia. Chronic ear or sinus disease. Previous major head injury. Any condition which requires the regular use of drugs. Retinal or other chronic eye condition.

NOTES FOR THE GUIDANCE OF EXAMINING DOCTORS

the course of their descents. When jumping head first the load is distributed through the shoulder straps of a chest harness or through both legs and hips when using an ankle harness in conjunction with a lower body harness. After jumping and coming to rest they may be suspended in the inverted position for at most 2-3minutes until retrieval is effected.

Bungee jumping can cause strong tachycardia up to 200 beats per minute through the stress it generates. Therefore, the cardiovascular system must be in good condition.

There are a few conditions which may be incompatible with Bungee Jumping. People who are known EPILEPTICS, DIABETICS, DRUG ADDICTS, ALCOHOLICS, or who have SEVERE AND ACTIVE MENTAL ILLNESS may NOT be allowed to Bungee Jump unless you consider it safe to do so. A history of skull fracture, concussion, or brain damage should be assessed most carefully. In the case doubt it is strongly urged that expert opinion should be sought.

Further contraindications are:

- Pregnancy
- Slipped discs
- Unstabilised severe hypertension of the arteries
- Congenital or acquired endocardiac lesions
- Problems involving myocardial conduction
- Clinical or electrical abnormalities related to coronary insufficiency
- Cardiac functional deficiencies
- Chronic pneumothorax
- Hernia or recent surgical operations of the abdomen
- Problems involving loss of consciousness without etymological explanation

No person above the age of fifty years will normally be accepted for Bungee Jumping. Exceptions to this rule may be allowed if the person is of a high standard of fitness for his/her age.
